To whom it may concern,

In reviewing 490 packs of Westone™ Silicone Singles with the lot numbers 8271, 8272, 8273, 8274, 8275 showing an expiration date of 3/31/22, these were shipped from Westone™ in the months of July and August, which is within our procedure of shipping products at least 6 months before expiration.

However, review of the Westone™ Silicone Singles with the lot numbers 8271, 8272, 8273, 8274, 8275 show an expiration date of 3/31/22. This is an error made in the printing process. The correct expiration date for these lot numbers is 3/31/23.

Sincerely,
